ROLL CALL Scott Arnold, Jim Eriksen, Bob Humiston Bud Jeffries Pamela Lancaster
Bob Rye is absent

Troy Kort introduced himself

2 He wanted a management position

3 He is currently employed with Olssen & Associates is a licensed engineer he reviewed his experience and has a current street superintendents license

4 He does not have any public office experience or union experience but has worked with people in his current place of business and he has managed budgets on various projects

5 He would maintain an efficient department

6 He would run for the elected position

7 He would like to know the goals for that the board has set for the department and would like to talk to the board members regarding this

Dennis Sullivan

Introduced the board member

From Mullen Nebraska originally bachelor of science industrial education worked for Sandhills Industries worked for Lincoln county Surveyor employed by Benjamin & Associates

2 motivation worked in Lincoln county surveyor and highway superintendent he has the experience worked on the 1&6

3 qualifications that he has licensed surveyor has a street superintendent license and bridge inspection and he took classes for his profession has done the bridge inspections in Lincoln county

4 management or public office only management would have been sandhills industries was in charge of the shop there does not have budget experience or union employee experience in Lincoln county no experience with the management

5 main priority as public works director need to know the program what the board wants and check on what the highway department needs would be

6 this is an elected position and if appointed would he run for the position and he stated that he would

7 basic salary it is elected position and % increase \$57,288.66 and he can have the information similar to Lincoln County he also has GPS experience

Will let him know in about one week

Casey Sherlock – Alliance High school Chadron State college degree in math worked for Jensen and associates surveying experience and engineering experience went to Iowa and then moved back to Nebraska has professional land surveyor with Buffalo County surveyor is a civil engineer tech manages survey crews and manages the office works with assessor and the register or deeds offices

2 motivated him wants to work and be in charge would like the opportunity to grow

3 his qualifications register land surveyor exposed to civil engineering has the technical math and experience skills he is not a superintendent will obtain that license

4 public office union none 3 years of public office experience worked under Buffalo County surveyor office and worked with general public manages 3 field crews and the office staff answers question in the office

5 main priorities need to evaluate the current situation he would have a lot of questions and would have to learn budget and staff and equipment has experience with budgeting for equipment worked for his current employer with the office budget and purchases manages the budget for the projects and work proposals

6 elected position will be appointed would he run for this position he would do so he would reside in Hall County it is a risk for him but a risk that he can take but his experience would afford him the opportunity to seek another job

Question of the board public works director surveyor and road superintendent he would be the public works director entire department questioned if the budget established salary is set by resolution 57288.60 current salary with 3% COLA and county benefits has a committee to work with and board oversees the budget and sets it spend time getting to know the department

Will let him know in one week
